Vermilion – The Smile Experts Limited. A company incorporated in Scotland with company number SC388226.

The Smile Experts /

Vermilion – The Smile Experts is a private referral-only dental clinic launched in 2011 at 24 St John's Road in Corstorphine, Edinburgh. In 2023 we expanded the clinic from five chairs to ten to enable more capacity for referred patients. In 2018 we opened our second clinic in the Scottish Borders, located on the outskirts of Kelso, with three fully-equipped surgeries featuring relaxing views over rolling fields and ample on-site parking.

Our values are centred around delivering consistent clinical excellence with outstanding service to both our patients and referring dentists.

We offer a wide range of advanced dental treatments, including orthodontics, dental implants, oral surgery, all-on-4, restorative dentistry, periodontics, endodontics, dental hygiene and conscious sedation.

Following the completion of your treatment with us, you will return to your own dentist for your ongoing dental care.
